KNIT FOR NEED

HELP SUPPORT KIDS WITH CANCER & THEIR FAMILIES

Welcome to this year's Guardian Angel Knitting Program

Now in its 17th year, the **Guardian Angel Knitting Program** has given the gift of warmth to over 2 million people in need through the generosity of our amazing Guardian Angel knitters.

This year we are excited to announce that we are partnering with the Kids with Cancer Foundation – an organisation that provides assistance for children undergoing treatment for cancer.

WANT TO GET INVOLVED?

To become a **Guardian Angel** and warm the hearts of seriously ill children all over Australia please grab your knitting needles and one of the patterns from this book and get clicking!

Once you have completed your beautiful woollen garment, simply take it to your local Guardian Pharmacy (by September 30 2015). The Kids with Cancer Foundation will then distribute the specially knitted items to a seriously ill child or family member. Visit **guardianpharmacies.com.au** to find your nearest pharmacy.

OUR SMALL THANK YOU

Every year we are blown away by the skills and generosity of our Guardian Angels. So when you bring your donation in to our store we would like to thank you by presenting you with a **2015 Guardian Angel collector pin** (while stocks last). We hope you wear it with pride knowing you have made a difference by knitting for need.

In addition 20 lucky Guardian Angels will **win** a **$100 Spotlight** voucher – all you need to do is ensure you swipe your Guardian Club Card when you drop off your knitted donation (see page 12 for further details).

We would also like to **thank** Spotlight for providing the patterns found in this book. Their ongoing support has been an invaluable part of the **Guardian Angel Knitting Program.**

If you have any knitting queries, contact Spotlight on **1300 305 405**. For your nearest yarn stockists visit **www.spotlight.com.au**

SPOTLIGHT

KIDS with CANCER
FOUNDATION

KIDS WITH CANCER

Kids with Cancer provides much needed assistance for the youngest of children who are going through cancer treatment. This assistance at the basic level comes to the child's family when they can no longer pay the family's day-to-day household bills. Through social workers in all Australian children's hospitals we are put in contact with such families on a daily basis. Children's hospitals are often only in the capital cities however many families live in country areas. These families can be torn apart when their child needs to attend treatment and a parent needs to be constantly at their side. We can relieve some of the burden by paying household bills; electricity, gas, rates, rent or mortgage, school fees, car repairs etc.

YOUR KNITTED GIFT

The Kids with Cancer Foundation fund only Australian children's hospitals and families being treated for cancer within these hospitals. Sadly cancer has no age limit and sometimes the youngest of newborn babies can suffer with cancers or leukaemia. A warm knitted gift will provide these children with a level of comfort that only a handmade item can give. Your knitted gift will be distributed nationally to all paediatric cancer wards, cancer families and end of life respite centres. Not to be sold but freely given so that the children suffering from cancer can take advantage of such a wonderful gift.
